

mortality. It is laws like these that legislators passed—laws defunding public health services, laws cutting money for local communities so they can put it into health care and education. It is the behavior of this legislature and some of its predecessor legislatures that have attacked young mothers and young women who may or may not be pregnant. And when you do that, there is simply not the emphasis on well-baby care, there is not the emphasis on preventive care, there is not the emphasis on the health of the mother, and

there is not the emphasis on giving women choices.

It is time for politicians in my State and across the country to follow the guidance of the Supreme Court today and to stay out of decisions that should be confidentially between a woman and her doctor.

Mr. President, I yield the floor.
